

WILLIAM RUTHVEN
SECONDARY COLLEGE

Family Education Action Team

We welcome your input

At William Ruthven we acknowledge that student success is a partnership between families/carers, students and school staff. With this in mind, we are creating a *Family engagement action team*.

This team will meet once a term and will work to strengthen ways to improve how welcoming the school is to families/carers and to improve the communication processes between school and home – to ensure that families/carers have the information they need to support student learning.

All parents and carers at William Ruthven Secondary College are welcome to join the action team. Interpreters can be arranged.

Please let us know if you are interested and we will talk with you about the time that suits best to meet.
