After School Study Club

Consent Form

We are pleased to provide support for students with their studies by providing the After School Study Club (ASSC). **The program will be offered to students from years 7 to 12 and will occur Monday to Thursday, 3.15-4.30pm (Tuesdays: 2.40pm-4.30pm) in the Senior School Building, S9.**

This is a great opportunity for students to have some time to complete unfinished learning and get some additional help if needed. It will be located in the Senior School Building, S9, and will commence from next Monday (February 6th).

The teacher leader of the After School Study Club is Maureen Kovacevic. Ms. Terry Trainos will be in attendance to provide support for the students.

In order to make the program successful, please be aware of the following:

1. Sign in should take place by 3.30p.m. in order to attend on that evening. On Tuesdays, this will be 3.00p.m. due to our early finish. Students arriving after this time may not have access to the programme.
2. Participants will need to have their devices and work with them.
3. Participants are expected to undertake school work in order to attend After School Study Club
4. Participants are able to leave the programme early on any given evening but must leave the school grounds as they would be unsupervised.

If your child would like to participate in ASSC, please complete the permission form slip below and return it to the general office. Should you have further questions, please contact Maureen or Terry on 9462 2177.
